

You can be saved!

If you have never repented of your sins and been saved and feel the desire to do so now please say this prayer. This is how I was powerfully saved 20 years ago!

Say, "My Lord and my God, have mercy on me, a sinner. I believe Jesus the Christ died on the cross and shed His precious blood for the forgiveness of all my sins. I believe Jesus raised from the dead and ascended into heaven and is now on the right-hand side of God listening to this prayer. I open up the door of my heart and I invite You in, Lord Jesus. Thank you, God, for saving my soul and I vow to serve you with all my heart which is the first and greatest commandment. Amen."

Converted to Christ in 1997

Written by Thomas Richards – Please copy and redistribute **free of charge!**

**We will all be judged!
For every Action,
for every word we spoke!**

2 Corinthians 5:10, Acts 17:31, Ecclesiastes 12:14, Hebrews 9:27

Matthew 12:36, John 12:48, Matthew 24:36, Romans 2:16

Ezekiel 7:7-8, Revelation 20:11-15,

That is why the GOOD NEWS
through Jesus the Christ
is so urgent!

PLEASE READ – WE ARE ALL REQUIRED TO ACT

2 CORINTHIANS 5:10 “For we must all appear before the judgment seat of Christ, that each one may receive his due for the things done in the body, whether good or bad. Therefore, since we know what it means to fear the Lord, we try to persuade men...”

ACTS 17:30,31 “Although God overlooked the ignorance of earlier times, He now commands all men everywhere to repent. For He has set a day when He will judge the world with justice by the Man He has appointed. He has given proof of this to all men by raising Him from the dead.”

ECCLESIASTES 12:13,14 “The conclusion of the WHOLE matter is this: Fear God and keep His commandments, because this is the whole duty of man. For God will bring every deed into judgment, along with every hidden thing, whether good or evil.”

HEBREWS 9:27 “Just as man is appointed to die once, and after that to face judgment,”

MATTHEW 12:36,37 “But I tell you that men will give an account on the day of judgment for every careless word they have spoken. For by your words you will be acquitted, and by your words you will be condemned.”

JOHN 12:48 “There is a judge for the one who rejects Me and does not receive My words: The word that I have spoken will judge him on the last day.”

REVELATION 20:13 “And I saw the dead, great and small, standing before the throne. And there were open books, and one of them was the book of life. And the dead were judged according to their deeds, as recorded in the books.”

MATTHEW 24:42 “**Therefore keep watch, because you do not know the day**”

...EXCEPT MANKIND

We have all been disconnected from service. God had to pull the plug. Now we all only have a very short lifespan. Some, shorter than others. Matter of fact, we never know when our lives will *completely* be cut off.

THAT IS WHY WE NEED JESUS THE CHRIST, NOW.

Through Christ we can all be plugged back into God’s wonderful and powerful ENERGY. With this energy in us, depression and anxiety doesn’t stand a chance. God provides perfect peace within our heart. Peace we never thought possible. I know. I had suffered from acute anxiety for years before God healed me.

And it was through prayer that God heard my cries and personally delivered to me salvation through the most powerful act of love no one could ever imagine. And He did this directly through His Representative, Jesus the Christ. The resurrected Savior.

In the end, God will judge us through Christ. While we still have a breath in our body, we need to seek Him for forgiveness and eternal life. This, God WANTS to give to us all. We only need to ask.

technology. And think about all the things the government and large companies can do with and through technology. For instance, it's been shown that people who work in this capacity can practically read our thoughts and know what kind of people we are just by how we browse the internet. Some companies do claim to offer ways to keep these things private. But with God, NOTHING is private.

God has all the most advanced technologies humans will never be able reproduce. God has a recording device built into each and every one of our souls. Right in our heart. And on judgment day, that recording is going to play and expose every evil thought, word and act that we ever thought, said and committed. (Romans 14:11-12; Matthew 12:36-37)

God's technology can also be used for our benefit RIGHT NOW.

God calls *this* technology PRAYER!

That's right. And it is through PRAYER that we CAN talk to GOD. And that's just the very beginning. God is also the source of all **energy**. Energy which can power billions of power plants. Matter of fact, His energy is LIFE and the LIFE of every living thing on this earth. Everything is operating just as God created it....

WE HAVE ALL heard bits and pieces about Jesus. Mostly because of two major holidays many observe. On "Christmas" many acknowledge Christ was born. On "Easter" many acknowledge Christ raised from the dead. Major religions like Roman Catholicism also show quite plainly that Jesus died on the cross. We have all seen their crosses everywhere which they call the "crucifix."

Unfortunately, many of these symbols and holidays have been turned into a weapon of oppression world-wide. Many war-mongers and insane people have claimed to be "Christian." That is why I will not use that term any longer. As it has been hijacked as a tool of deception, hate and death. Most of those claiming to represent God's interests have been exposed as frauds.

Jesus, His apostles and servants warned us 2000 years ago that this would happen.

God and His Representative/Son Jesus are not like so many *professing* to know and represent God. God proved this through His physical appearance in this world through His Son, Jesus the Christ. Jesus conducted His life as a total expression of God's love.

God's love is expressed in many different ways. And Jesus expressed them all. And those who truly follow Christ, **are obligated to walk as He walked** (1 John 2:6).

The Bible was written in ancient Greek. And the Greek words which were originally written often have a much more expansive definition than their English counterpart. When the apostle John wrote we are to "walk as He (Jesus) walked", that actually means, "conduct one's life as Jesus conducted His." John says, "Whoever **claims** to abide, remain **in** Him (His commands) are **obligated** to, **indebted** to, *walk as Jesus walked.*"

And how did Jesus "walk"? In total love for God and others (His *neighbors*), putting them first. **That** is how God *intended* man to "conduct their lives" from the very beginning of time.

As Jesus taught in the very heart of Israel, He was tested with a question by the Jewish religious leaders there. The question was asked by "an expert in the law [of Moses]." He asked, "Teacher, which commandment is the greatest in the Law?" Jesus declared, "'Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: 'Love your

neighbor as yourself.' **All the Law and the Prophets hang on these two commandments.**" Jesus says!

With this in mind, it should then be somewhat easy to see if someone is *actually* a representative of God. Do they teach what Jesus taught? Do they walk as Jesus walked? Now ask yourself. Do YOU walk as Jesus walked?

More than likely, the answer is "**NO.**"

But we **need** to walk as Jesus walked if we want to fare well in the final judgment. And God is offering us all a chance to do just that! And THAT is exactly what we will find if we begin to honestly and earnestly seek God for answers.

One of the most important teachings by Jesus is that He tells us to do just that. To seek God. Jesus said to seek God and not give up. To never give up until we receive an answer. Any of us can do this. And we don't have to be in a church building or speak with a church leader. Anywhere we are, we can talk to God without even saying an audible word. Because God knows our every thought.

Technology is amazing isn't it? Think about all the different things humanity can do through
